Plaintiff,

V.

Case No. #23-CV-1690

Gilbert Steffanides, et al.,

Defendants.

**PLAINTIFF'S MOTION FOR A 60 DAY EXTENSION OF TIME TO RESPOND TO  
DEFENDANTS MULTIPLE MOTIONS FOR SUMMARY JUDGMENT (DKT. 31-48).**

---

Petitioner Donald Evans, Jr., currently proceeding pro se, hereby moves the Court for an order granting him a 60 day extension of time in which to file his Brief In Opposition To Defendants Multiple Motions For Summary Judgment (Dkt. 31-48). As Plaintiff has emphasized in previous filings, he has to rely on the assistance of a Pro Se Legal Aid due to him knowing nothing of the law; that requires him to mail the filings he receives from the Court and all three defense counsels, after already receiving them a week a more late due to the DOC's mail policy which requires the mail to first go to through a rigorous facility processing and then to Plaintiff's location before disbursed.

Moreover, in a clearly coordinated effort, Defendants each filed their motions for summary judgment, totaling over 200 pages, by snail mail on the same day, 11-1-2024 (Dkt. 31-48). Due to theses factors, Plaintiff needs a 60 day extension of time in which to reasonably have enough time

to respond to these gargantuan filings of Defendants, and asks that the Court please do grant it to him.
